# Trans**FER** Curtici–Tekirdag

Our non-stop connection between Turkey and Romania creates ideal logistics solutions for continental transport units. In addition, we are not only providing a fast link between the two economic regions, but also competitive transit times.

This TransFER creates a direct connection to the Port of Tekirdag, an important transhipment hub for transit traffic that serves as a gateway for short-sea connections to and from Poti (Georgia) and provide connections to Asia via the Middle Corridor. After all, Tekirdag is a significant freight hub on the New Silk Road for transport between Europe and Asia, connecting Western European economic hubs with the countries of Southern and Southeast Europe.

Your benefits

- Direct connection from Curtici to Tekirdag and v.v.
- 5 round trips per week
- Fixed timetable
