TODAY. TOMORROW. TOGETHER.

Rail Cargo Group – your strong partner in Poland

We have been active in the Polish forwarding and rail transport market for 20 years and offer you customised logistics solutions tailored to your needs. Whether it is intermodal transports or conventional block trains – we deliver future-orientated and pinpoint solutions. With our own branches in Poland, we offer a comprehensive service

package from a single source: from customs clearance and transshipment to warehouse logistics and the first and last mile. With direct access to the international standard and broad-gauge rail network, we can offer individual complete solutions for transport to Ukraine, the CIS states and as far as China.

Your benefits

- We communicate with you in Polish – and handle all interaction with operators and partners on your behalf.
- End-to-end from the first to the last mile: We take care of every aspect of your logistics needs.
- We act as your reliable bridge for transit between Europe and the CIS countries, supporting both import and export operations.
- Benefit from our high-quality traction services, not only in Poland but across key routes from the North Sea ports to Asia, and from Poland's industrial hubs to Germany and Benelux as well as to the Adriatic ports and Southern Europe.
- We provide the right equipment for your transports, including quality-controlled train systems, high-capacity freight wagons, 45ft containers, and swap bodies.

Equipment

- Conventional freight wagons (all types)
- 20ft, 40ft, and 45ft containers
- Swap bodies
- Craneable trailer
