

## TRANSNET

# Direct rail transport between Austria and Scandinavia

With the TransFER Linz–Scandinavia–Wels, we not only transport your wagonloads reliably and efficiently between Austria and Scandinavia, but also enable further connections in Central and South-Eastern Europe. In our hub in Rheinkamp (near Duisburg) we can add your quantities to Scandinavia or distribute them from Scandinavia within Germany and to France, Belgium and the Netherlands. Sustainable and safe to your destination – from the first mile to the last.

### YOUR BENEFITS AT A GLANCE

- Three weekly round trips
- Fixed timetable
- Onward distribution from Malmö in the single wagon network to or infeed in Malmö from all over Scandinavia
- Fast as lightning connection to our comprehensive TransNET network and the Central and South-Eastern European region from Rheinkamp
- Industry-specific rail logistics solutions for all industrial and hazardous goods (RID) consignments

### HERE IS WHAT YOU CAN COUNT ON ...

- ... delivery and distribution via our **efficient** single-wagon system with a strong operating grid in the area (both in Austria and Sweden).
- ... a **reliable** end-to-end logistics solution – including first and last mile by truck.
- ... that we offer you a competitive advantage by ensuring a continuous and **high-quality** international production chain.
- ... **comprehensive** additional forwarding services such as transshipment facilities, warehouse logistics, customs services, damage wagon and emergency management.
- ... a **sustainable** transport solution that significantly contributes to protecting our environment and saving CO<sub>2</sub>.
