Vienna–Kyiv

New TRANSFER connection in the intermodal network of RCG

Rail Cargo Group, leading rail logistics provider in Europe, offers you a wide range of intermodal TRANSFER connections across the entire Eurasian continent. With the new intermodal TRANSFER between Kyiv and Vienna and with stops in Budapest and Lviv, we offer the first regular, high-frequency intermodal connection between Ukraine and our hubs in Central Europe. In cooperation with the Ukrainian Railways (Ukrzaliznytsia/UZ) we connect Ukraine with the European Union and beyond.

YOUR BENEFITS AT A GLANCE

- Direct connection between Ukraine and our comprehensive TransNET
- Two intermodal terminals in Ukraine: Kyiv and Lviv
- Two intermodal hubs within TransNET: Budapest and Vienna
- Full access to our maritime, continental and Eurasian connections
- Trucking service to any European destination – starting from Budapest and Vienna
- Fixed timetable and attractive transit times
- Weekly departures in both directions
- Product launch in preparation – detailed information to follow

THIS IS WHAT YOU CAN COUNT ON ...

... railway traction in Europe on standard gauge from the Ukrainian border is carried out by RCG from a **single source** – our partner Ukrzaliznytsia takes over on the broad gauge up to the Ukrainian/Hungarian border.

... our support with **comprehensive** intermodal operator know-how.

... we handle **additional** services for you such as terminal services, import and export customs and more.
