RAIL CARGO GROUP – FREIGHT TRANSPORT DIVISION OF THE AUSTRIAN FEDERAL RAILWAYS (ÖBB)

Your partner for future-oriented, end-to-end rail logistics solutions between Europe and Asia.

With home markets in Austria and Hungary and one of the largest block train networks in Europe, we connect European trade routes, economic centres, ports and terminals with prosperous economic centres in the Far East and Central Asia. Rail Cargo Group ensures safe, fast, eco-friendly and reliable transport – from one single source.

Whether you need single wagons, single containers or block trains – as a leading specialist in rail logistics, we provide high quality services, as well as, fast and reliable, customised end-to-end logistics solutions in accordance with safety and environmental standards across the Eurasian continent.

YOUR BENEFITS AT A GLANCE

- Cost-efficient and environmentally friendly alternatives to air and sea freight
- Faster transport times at attractive prices
- Handling of the entire logistics value chain including additional forwarding services, such as first and last mile trucking, customs, handling
- Contact persons available throughout the transport process in Europe, Russia and China
