## Destination: Bucharest

An aerial photograph of a train crossing a railway bridge over a dense forest. The bridge consists of a stone viaduct on the left and a modern steel arch bridge on the right. The train is moving from left to right. The surrounding landscape is a lush green forest with some yellowing trees, suggesting autumn. A river is visible in the background.

Nothing is impossible

A photograph of three construction workers in high-visibility safety gear (yellow and orange) and hard hats, standing on a construction site. They are engaged in conversation. In the background, there is a large piece of machinery, possibly a concrete mixer truck, with the 'LOCEY' logo visible on its side. The scene is set outdoors with industrial structures and equipment.
