

TransFER Intermodal Eurasia

WE ARE RAILCORE

TransFER China–Vienna

Geopolitically, the TransFER connection with focus on LCL (Less than Container Load) China–Vienna provides the best, fastest and most stable solution for container part loads by bundling consignments in consolidated containers between Xian and Vienna on the environmentally friendly rails. With a CFS–CFS (Container Freight Station) transit time of approx. 22 to 24 days, the Rail Cargo Group provides not only an affordable alternative to air freight, but also a fast alternative to sea freight transport between Asia and Europe.
