

# TransFER Linz–Duisburg–Wels

A non-stop connection into the  
Rhine-Ruhr region

TODAY. TOMORROW. TOGETHER.

# TransFER Linz–Duisburg–Wels

Fast as lightning connection to our dense network (TransNET) and throughout Central & Southeastern Europe

Holistic transport chain planning with end-to-end deliveries and disposition from a single source

Seamless between Austria and Germany

Safe, reliable, punctual and in maximum quality

6 times a week in a round trip

## Round trip details

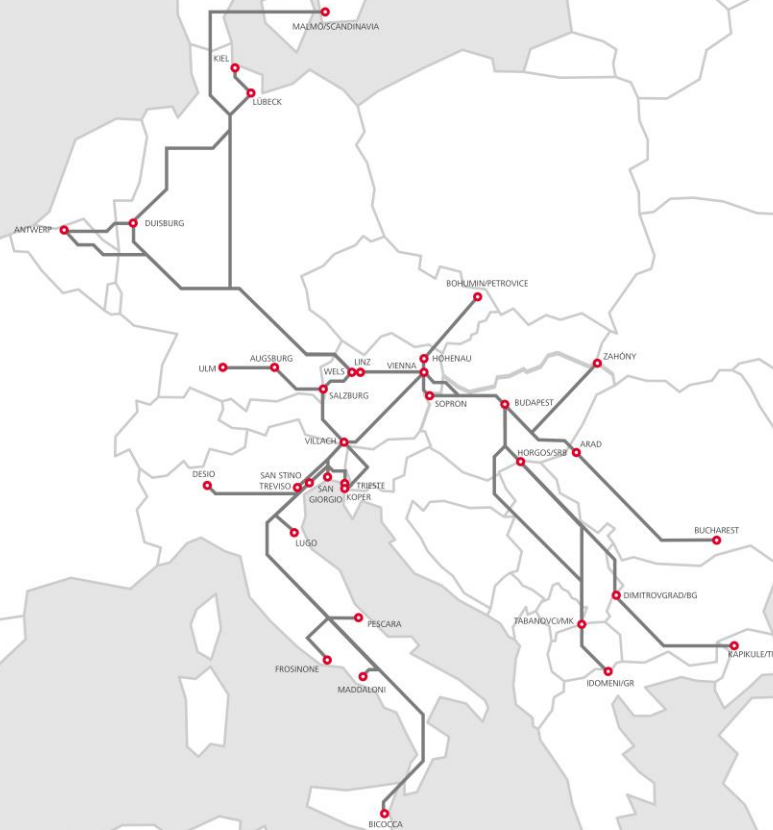

## Logistics competence carrying our name

- Multifunctional connections with capacities for **conventional wagonload** traffic
- Industry-specific rail logistics solutions for **all industrial goods** and **hazardous goods** shipments (RID)
- Contemporary **transport information** about the shipment status

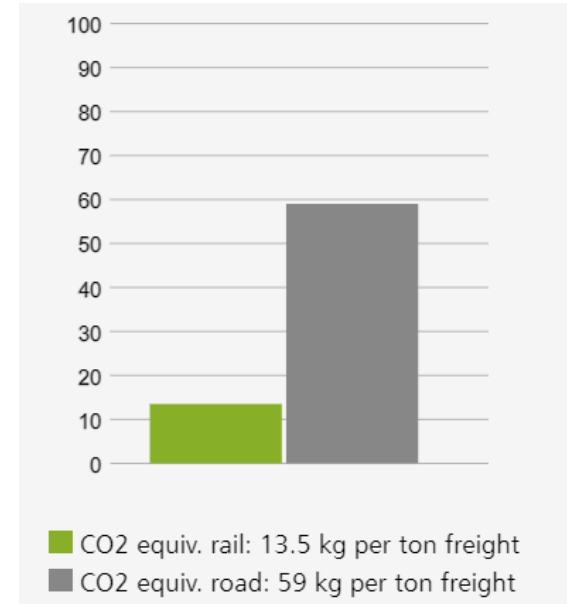

High-frequently linked

# The non-stop connection as interface of European economic centers

- **Arrival & distribution** via efficient single wagon system with a strong operating grid in the area
- Train formation points Linz shunting station and Rheinkamp (nahe Duisburg):  
Composition of **single wagon** consignments and **groups of wagons**
- Supply of extensive **industrial enterprises** in the **Rhine Ruhr region**
- Hub to North and South ports as connection possibility to **ocean-going ship traffic**

## Comparison rail / road emissions

Calculated with EcoTransIT-World assuming an average load and the respective country energy mix..

## Your benefits

- **Seamless** order processing with quality assurance
- Processing with our own locomotives – ensuring a continuous and high-quality international production chain
- **Competitive advantage** through extended in-house production radius
- **Shortened transport times**, improved punctuality, complete safety, maximum service quality
- Rapid connection to the entire RCG network as well as economic regions throughout Central and Southeastern Europe with **end-to-end logistics solutions**

TRANSFER
