5 to 7 times daily

An example of how swiftly things run:

An overview of how our services operate

We implement reliable end-to-end logistics solutions

- A hub that connects Italy and Austria with Poland – seamlessly and with high frequency
- Collection of inflows and outflows at the two train collection points in Hohenau and Bohumín
- Antenna connections for inflow and distribution of individual consignments and groups of wagons
- Onward transport to Austria, Central, Southern and Southeastern Europe, CIS member states, Poland and Northeastern Europe

Comparison of rail /road emissions

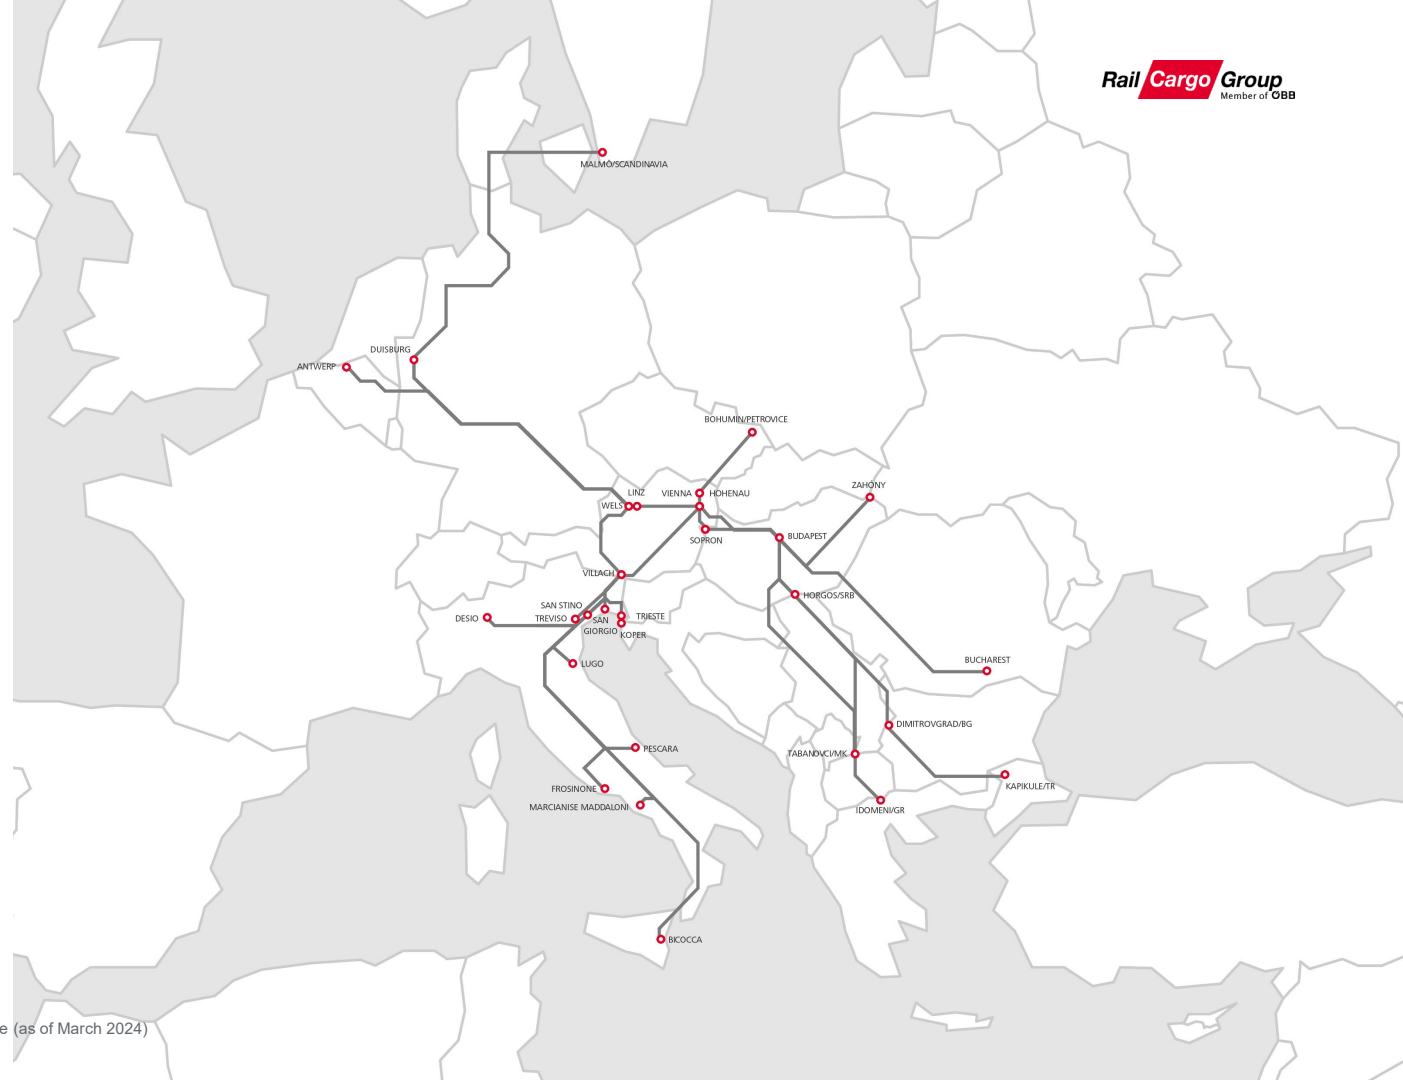

Logistical expertise that carries our name

- Full range of precise logistics solutions with last-mile services.
- Connection with capacities for conventional cargo and container traffic
- Industry-specific rail logistics solutions for all industrial goods as well as hazardous goods (RID) consignments
- Up-to-date transport information on the consignment status

High-frequently linked

You've got the goods,
we've got the routes.
Find the connections in
TransNET.

Your advantages

- **End-to-end logistics solutions** from a single source
- **Sustainable goods transport**
- **Freight forwarding services** such as transshipment facilities, warehouse logistics and customs service
- 5 to 7 round trips daily
- Connections to and from Austria, Italy and Poland
- **Ideal connection** to the broad gauge network – and thus to the economic area of the CIS member states
- **First and last mile in RCG own traction** from Bohumín-Vrbice to and from destinations in the Czech Republic

What matters

We take care of every detail

- Organisation of first and last mile
- Transshipment options and storage logistics
- Always ready in an emergency
- Damaged wagon management
- Emergency management

Nothing is impossible

In the beginning there was an idea. And then came the individual logistics solution – entirely to suit your specific logistics requirements and needs.

Contact us, we will make you a tailor-made offer at competitive prices!

I am here for you
