

# TransFER China–Vienna

**RCG – Your Partner for fast and reliable transport of less than container loads (LCL) between Asia and Europe.**

## **YOUR BENEFITS**

With the TransFER China–Vienna, Rail Cargo Group offers you a stable connection and an attractive alternative to other transport modes – with lower transport costs than air freight and faster transport times than ocean freight.

## **OUR SERVICES**

- One departure per week
- Offer made within 24 hours
- CFS – CFS transit time: 18-20 days (depending on current market conditions in China + approx. 7 days)
- Door-to-door-solution (main leg per rail, first mile/last mile incl. delivery by truck)
- Customs clearance
- Insurance cover on request
- Daily updates on transport status via GPS-device

## **YOUR CHOICE**

TransFER China–Vienna – Geopolitically the best, fastest and most stable transport solution for your less than container loads (LCL).

**We look forward to receiving your enquiry:**
