

# TransFER Intermodal Continental

## TRANSFER Verona–Göttingen

The Rail Cargo Group, leading rail logistics provider in Europe as far as Asia, offers you a wide range of **intermodal** TransFER connections.

This TransFER offers a direct connection for continental flows of goods between northern Italy and the DUSS terminal in Göttingen, Lower Saxony. Containers and craneable trailers are transported reliably and efficiently on this route. This TransFER expands our network over the Brenner Pass. In this way, we are actively contributing to the modal shift to sustainable rail transport on the Brenner axis and helping to relieve transit traffic in Tyrol.

### Your advantages

- Direct connection from Verona to Göttingen and v.v.
- Fixed timetable
- Attractive transit times
