

# TransFER Intermodal Maritime

## TRANSFER Bratislava–Koper

The Rail Cargo Group, leading rail logistics provider in Europe as far as Asia, offers you a wide range of **intermodal** TransFER connections.

The port of Koper is an important transport hub for Central and Eastern Europe. This high-frequency connection between Koper and Bratislava therefore provides a direct connection between Central and Eastern Europe with the Mediterranean region and the Far East.

### Your advantages

- Direct connection between Bratislava and Koper v.v.
- One to five departures per week
- Attractive transit times of up to 23 hours
- Antenna connections to terminals in Czechia, Poland and Hungary
- Daily haulage options to Czechia, Vienna and Hungary
