

# Consumer Goods

TODAY. TOMORROW. TOGETHER.

CONSUMER  
GOODS

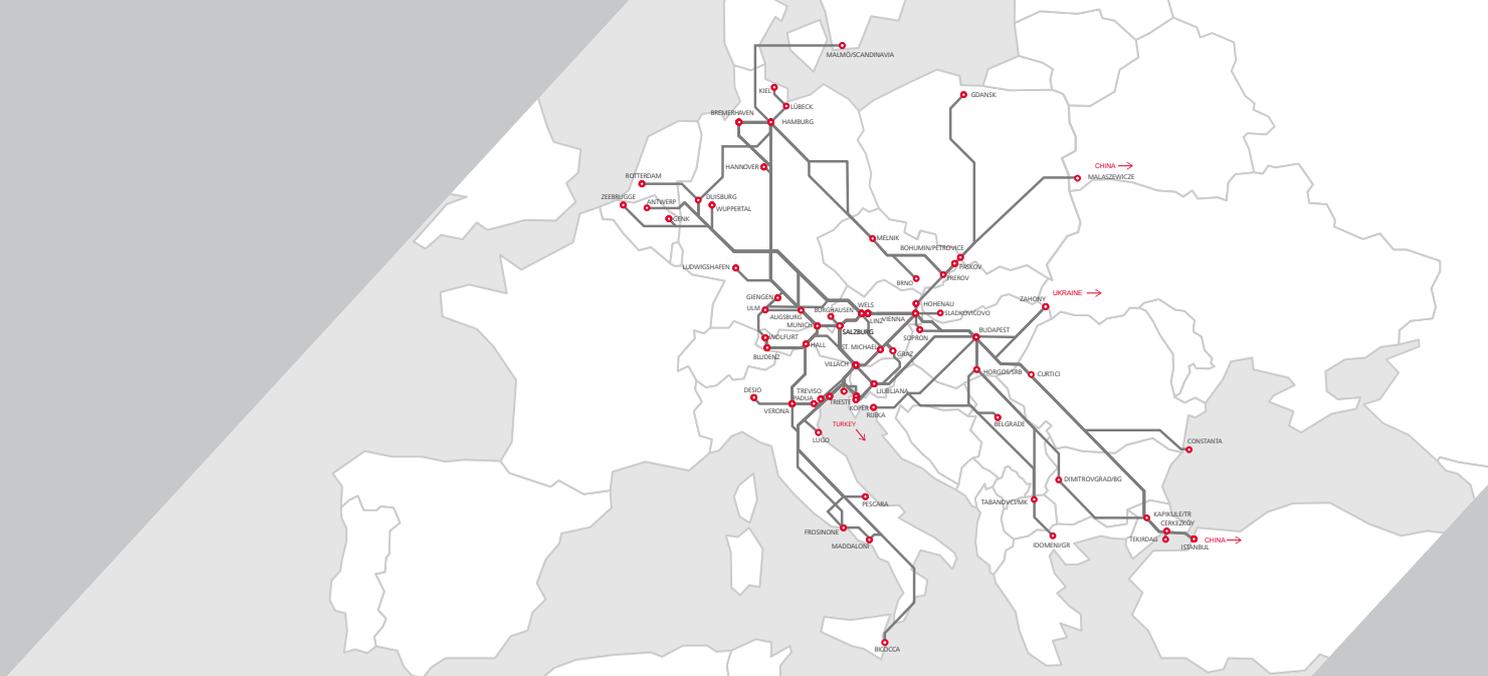

## Whether electronics or food – your goods on our rails

High energy costs, economic pressure, tough competition – today's challenges are numerous. All the better then that you don't have to worry about your logistics. We are on hand with high-quality equipment to transport your consumer goods – whether electronics, food or furniture. We develop multimodal logistics solutions and take care of transport between manufacturer and retailer. From the delivery of

raw materials to distribution, from storage to handling, we customise our solutions to your individual needs. Our experience gives you certainty – we transport 1.5 million tonnes of consumer goods every year, including 630,000 tonnes of food and beverages and 1.2 million units of white goods.
